You can help us protect our park and have a safe and fun visit at the same time.

- By staying on the trails you not only protect yourself but you also reduce impacts on wildlife, vegetation and soil compaction.
- Leave it where it lies; removal of artifacts, relics, and wildlife is prohibited. By doing so we insure that the legacy of those who lived here before us remains unaltered for future generations.
- Let everyone enjoy the wildflowers; picking bluebonnets and other vegetation is prohibited. Every flower picked means fewer flowers the following year.
- Carry water with you to stay hydrated.
- Please keep pets on leashes and clean-up after your pet.
- Take advantage of the learning opportunities at Independence Hall and Barrington Living History Farm.
- Learn more about Texas history and heritage through available literature at the park headquarters.
- Become a volunteer and help others discover the Birthplace of Texas.
